

SRP Committee Priority List
District III
Mark Moser and Boyd Sturdevant

Service Area	Priority	Notes
104	5	Some docks - easy to get to by deeper water.
105	2	IU/Public/Educational/Sports facility with 20+ slips.
106	1	Large neighborhood with at least 22 docks and 18 boathouses.
107	4	Boys and Girls Club - public use.
202	3	Boating area used by most boats in 1 and 2 above plus others who drive close to shore.

Total Service Areas: 5

Additional Comments:

On IU property, they may have money to improve facility from various athletic and related funds...I am not sure they see a problem, except for deep water/large boats with deep keel. Might have money to dredge their ramp to open water. They may have own disposal site.
