

SWIMMING/ANCHORING

Swimming **AT YOUR OWN RISK** from sunrise to sunset is permitted at the dam embayment area identified by regulatory buoys and at Riddle Point Park beach within the buoyed swim area.

Boat anchoring is permitted only at the dam embayment area identified by regulator buoys.

Embankment docking is prohibited.

Boat anchoring and/or swimming in any other area is not permitted.

MISCELLANEOUS RULES

Fish and Game Laws of the State of Indiana are in effect on Lake Lemon.

Wildlife, while nesting, foraging, or resting, are protected and watercraft are to yield right-of-way to floating waterfowl.

Lake Enforcement Officers have the right to clear the lake of all watercraft in case of an emergency.

VIOLATIONS

Penalties and fines for violations of the Indiana State Statutes are established by the State of Indiana. Violations of LLCDD regulations constitutes a trespass and subject to:

- a. Removal from the lake;
- b. Denial of lake privileges;
- c. Appropriate prosecution for mischief or trespass;
- d. Civil damages for injury or damage to property of LLCDD.

THIS LEAFLET DOES NOT CONTAIN ALL THE TITLE 14 INDIANA STATE BOATING LAWS OR LAKE LEMON REGULATIONS, BUT EMPHASIZES A FEW THINGS EVERY BOATER SHOULD OBSERVE TO MAKE BOATING SAFE AND ENJOYABLE FOR EVERYONE. IF IN DOUBT ABOUT ANY RULE OR REGULATION, PLEASE CHECK WITH THE LAKE ENFORCEMENT OFFICIALS OR THE MANAGER. THEY ARE HERE TO HELP YOU.

LAKE LEMON PERMIT

All watercraft must be registered with LLCDD and issued a permit before launching. Such permit shall be displayed on the port (left) bow. Types of watercraft permits and costs are listed on the back page.

All watercraft must have a current state boat registration and carry an approved life jacket for each passenger. Oars/paddles and fire extinguisher are recommended.

No watercraft shall exceed 30-feet in length.

GENERAL RULES AND REGULATIONS

The State of Indiana Boating Laws are incorporated by reference and apply to Lake Lemon. Valid Driver's license (or Bureau of Motor Vehicles I.D. card plus completion of State approved Boating Education Course—Age 15) is required to operate any watercraft propelled by a motor with a factory rating greater than ten (10) horsepower.

Operating a watercraft while intoxicated is a criminal offense under Indiana Statutes.

In the operation of a watercraft, a person may not throw, dump, place, or deposit any litter, filth, unwholesome substance (e.g. sewage) in or upon the waters or banks of the lake.

A watercraft may not be operated unless the boat motor is equipped with a muffler, underwater exhaust or other device that muffles or suppresses the sound of the engine at all speeds.

GENERAL BOATING RULES

Sailboats, rowboats, or any hand-propelled craft have the right-of-way over powered watercraft.

Watercraft leaving a dock have the right-of-way over watercraft approaching the same.

When two watercrafts are approaching each other on the same line, both shall bear to the right so as to pass on the left side of each other.

When two watercrafts are going to cross paths (i.e., at right angles) the boat on the right has the right-of-way.

Do not anchor in any traveled part of the lake, which may impede or interfere with the safe passage of other watercraft.

SAFETY REGULATIONS

Passengers must ride inside the watercraft at all time while in motion (i.e., no riding on bow or gunwales).

Watercraft involved in an accident or a collision should: stop immediately; stay at the scene; offer assistance to injured parties; and notify the proper authorities.

NIGHT BOATING

No watercraft shall be operated between sunset and sunrise unless it is equipped with proper lights in good working order as prescribed by the Indiana Boating Laws.

Maximum length of stay for any one-time visit is three (3) consecutive days/two (2) consecutive nights unless moored at a private or commercial dock. (Daily boat fees apply.)

SPEED

Sunrise to Sunset—A person may not operate a watercraft at a rate of speed greater than is reasonable and prudent, having due regard for the conditions and hazards, actual and potential, then existing, including weather and density of traffic or that will permit a person, in the exercise of reasonable care, to bring the watercraft to a stop within the assured clear distance ahead.

Sunset to Sunrise—A person may not operate a watercraft at a speed greater than ten (10) miles per hour.

Shoreline—Within two hundred (200) feet of the shoreline and within the marked idle zones the maximum speed is five (5) miles per hour.

No watercraft is allowed within two hundred (200) feet of the dam or five hundred (500) feet of the spillway.

SKIING, TUBING, AND PWC

At least one person in the boat other than the operator must give full attention to watching the object or person being towed.

In order to tow an individual, a Personal Watercraft must be at least nine feet long and seat at least three people: the operator, the observer, and the skier. Anyone being towed by any craft must wear a U.S. Coast Guard-approved personal flotation device. Ski Belts are not Coast Guard approved.

Towing skiers or other objects is not allowed between sunset and sunrise. No such activities shall be performed within two hundred (200) feet of the shoreline except on take-off or landing.
