Discussion can be viewed here.

Discussion then returned to the proposed addition to Dredging Zone One on the east side of Salmon Harbor. Information was provided to the members of the board where our engineers at Christopher Burke Engineering LLC recommended against removing the southern berm that has been created along the creek. III. Administrative (MK)

A. Approval of September 28, 2023 Board Meeting Minutes
Blackwell amended the September Meeting minutes, requesting a change in wording
from Fun to FUND.

MCCLURE MOTIONED TO APPROVE THE SEPTEMBER 28<sup>TH</sup>, 2023 BOARD MEETING MINUTES AS AMENDED. BLACKWELL SECONDED THE MOTION. KLITZING ALSO "AYES", HUBER and WADZINSKI ABSTAIN, THE MOTION CARRIED.

IV. Adoption of 2024 Annual Budget: Resolution 10-23-03 Adoption of Annual Budget and Statement of Salaries and Wages (AC)

CASEY reviewed the total adopted budget for 2024 of \$1,736,572. The LLCD will levy \$907,619 of taxes, including the Special Benefits tax and the Cumulative Conservancy Improvement tax. This is a slight decrease from the 2023 tax rate of 0.5966. This tax levy remains the same as 2023, no additional funds are being requested.

BLACKWELL I was under the impression the LLCD special benefits tax was under 0.3 per \$100 assessed value. If we didn't have the additional tax for dredging what would the tax rate look like?

KLITZING we have shown the additional taxes as earmarked for dredging in our accounting but when we request tax income we request one amount. The tax rate is then adjusted based on that request.

The entire discussion can be viewed HERE.

# BLACKWELL MOTIONED TO APPROVE RESOLUTION 10-23-03 ADOPTION OF ANNUAL BUDGET AND STATEMENT OF SALARIES AND WAGES. WADZINSKI SECONDED THE MOTIONS. ALL OTHER MEMBERS "AYES". THE MOTION CARRIED.

V. Treasurer's Report

(AC)

a. September Budget Highlights:

Income: \$ 13,543.24 Expense: \$29,543.14

Total Checking & Savings: \$1,551,826.03

Fixed Assets Total: \$ 854,441.15 Total Assets: \$ 2,406,267.18 Total Liabilities: \$ 1,069,299.91

Total Liabilities and Equity: \$ 2,406,267.18

b. September Report of Claims: Approval of Vouchers MCCLURE asked for clarification on fixed assets. What assets are we referring to with the Trucks and Boats that we list in fixed assets?

CASEY the trucks would include the two work trucks, excavators, and dozer the district owns. We are currently working with Butch Evans to list and sell the Komatsu PC-300 excavator. Boats include the barges, the work pontoon, and lake patrol jet ski.

#### BLACKWELL MOTIONED TO APPROVE THE ALLOWANCE OF VOUCHERS. WADZINSKI SECONDED THE MOTION. ALL OTHER MEMBERS "AYES". THE MOTION CARRIED.

c. Resolution 10-23-04: 2024 Fees & Charges CASEY- per request I put in the percent changes in the fees and charges when compared with last year. We are cognizant of resident fees and trying to maximize nonresident fees income. Fee caps are limited by the consumer price, as dictated by our contract with the CBU.

WADZINSKI MOTIONED TO APPROVE RESOLUTION 10-23-04. HUBER SECONDED THE MOTION. ALL OTHER MEMBERS "AYES". THE MOTION CARRIED.

VI. District VII – Zone 1 Dredging Discussion (Cont.) – Carol Gentry

(MB)

Gentry was not in attendance at the meeting. The board continued discussions on the expansion of dredging zone 1. No action was taken at the current meeting. Questions and concerns were asked on the effects of dredging in this area, depths needed, area to be dredged, potential similar situations, and need.

Of particular worry, was the potential future effects of dredging this area.

HUBER – I do have some worry we may be shooting ourselves in the foot by dredging this area, there may be a possibility of inadvertently increasing localized sedimentation.

WADZINSKI – What is the reason to have such a large area? Would just a channel for access do it? It would be a lot cheaper.

BLACKWELL - I was not present at the discussion with Adam and Carol but I am sure she could expand on why the decision was made to make it that wide. That is correct, all we really need is a channel to get in and out.

The discussion can be viewed **HERE**.

#### VII. Manager's Report

In consideration of the covenants and promises herein provided, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree:

- 1. <u>Description of Services</u>. First Insurance shall provide professional services as an insurance agent for LLCD. Such services shall be provided as requested by LLCD and agreed upon by First Insurance throughout the term of this Agreement.
- 2. <u>Term</u>. The term of this Agreement shall be for a period of one (1) year from January 1, 2024 to December 31, 2024, unless sooner terminated as provided herein. This Agreement will renew automatically each calendar year unless a party gives written notice to the other party thirty (30) days prior to the renewal term.
- 3. <u>Termination</u>. Either party may terminate this Agreement by a thirty (30) day written notice to the other party.
- 4. <u>Payment for Services</u>. As payment for the services rendered as an independent contractor pursuant to this Agreement, LLCD shall pay to First Insurance approximately \$58,000.00 in 2024 premiums. - 5. Relationship of the Parties. First Insurance is retained for the purposes and to the extent set forth in this Agreement, and First Insurance's relationship to LLCD shall be that of an independent contractor. LLCD is in no way associated with or otherwise connected with the actual performance of the services required to be performed by First Insurance under this Agreement (except for expecting First Insurance to remain licensed and provide services in a professional manner) nor as to the employment of labor or the incurring of other expenses by First Insurance. First Insurance is an independent contractor in the performance of each and every part of this Agreement. First Insurance is solely and personally liable for all labor and expenses in connection with this Agreement and for any and all damages that may occur on account of the services required to be performed by First Insurance under this Agreement,

- 6. <u>Tax Liability</u>. First Insurance shall exonerate, indemnify, and hold harmless the LLCD from and against, and shall assume full responsibility for, payment of employment taxes, all federal, state and local taxes, or contributions imposed or required under unemployment insurance, workmen's compensation, social security, and income tax laws with respect to First Insurance's services under this Agreement.
- 7. <u>Remedies</u>. A party shall be entitled to seek and obtain all relief, whether in law or in equity, for breach of the Agreement by the other party, including damages and reasonable attorney fees.
- 8. <u>Assignment</u>. First Insurance's obligations under this Agreement are personal and may not be assigned or transferred without the prior written consent of the LLCD.
- 9. <u>Venue and Applicable Law</u>. This Agreement shall be governed by and construed under the laws of the State of Indiana, and the Monroe Circuit Court, Bloomington, Indiana, 47404, shall have exclusive jurisdiction over disputes arising hereunder.
- 10. <u>Entire Agreement</u>. This Agreement constitutes the entire contract between the parties. There is no statement, promise, agreement or obligation in existence which may conflict with the terms of this Agreement, or may modify, enlarge, or invalidate this Agreement or any provisions of it. This Agreement may not be amended, supplemented, or modified except by a written document signed by the LLCD and First Insurance.
- 11. <u>Non-Waiver</u>. The failure of any party to insist upon performance of any of the provisions of this Agreement or to pursue its rights hereunder shall not be construed as a waiver of any such provisions or the relinquishment of any such rights.

- D. Mutual Indemnification. Except for CLARK's negligence or willful misconduct, LLCD shall indemnify, defend and hold harmless the Demised Premises and CLARK from and against any and all claims, damages, judgments, attorney's fees, expenses and/or liabilities arising out of, involving, or in connection with, the use of the premises by LLCD up to the date of termination of this Agreement.

The LLCD shall be responsible for the costs of site preparation, including creating necessary access to the site, and for the costs of transporting and placing such sediment deposit onto the Demised Premises. CLARK shall own and have title to the sediment deposits for purposes he deems appropriate in his sole discretion and LLCD shall have no claims thereto. CLARK agrees to implement and maintain required erosion control measures with regard to the sediment at all times.

Section 5.01. **Default** No failure to perform any condition or covenant of this Agreement shall entitle CLARK to terminate this Agreement unless such failure shall have continued for thirty (30) days after notice in writing requiring the performance of such condition shall have been given to LLCD, and unless, if such default is of such a nature that it cannot be remedied within such time, LLCD shall fail to cure such default within such additional time as is reasonably necessary to cure the default, provided that LLCD shall commence to cure the default within this period and thereafter shall diligently continue the curing of the default. The LLCD may terminate the Agreement if use of the land is no longer necessary by the LLCD, in its discretion. In the event of breach of the Agreement, the non-breaching party may pursue all damages available in law or in equity.

#### Article 6. SURRENDER OF POSSESSION

Section 6.01. **Surrender of Possession** Unless otherwise mutually agreed by the parties, within ten (10) days after termination of the Agreement, LLCD agrees to deliver possession of the Demised Land to CLARK free and clear of any liens or encumbrances.

## Article 7. MECHANICS' LIENS

Section 7.01. **Prohibition of Liens** LLCD shall not suffer or permit any mechanics' liens to be filed against LLCD's interest in any improvements on the Demised Land by reason of any work, labor, services, or materials supplied or claimed to have been supplied to LLCD. If any such mechanics' liens or materialman's liens shall be recorded against any improvements thereof, LLCD shall cause the same to be removed or, and in the alternative, if LLCD in good faith desires to contest the same, LLCD shall be privileged to do so, but in such case LLCD hereby agrees to indemnify and save CLARK harmless from all liability for damages occasioned thereby and shall, in the event of a judgment of foreclosure upon said mechanic's liens, cause the same to be discharged and removed prior to the execution of such judgment.

    - i. The Not for Profit Marina Fee shall be paid to the LLCD, in full, by the 15<sup>th</sup> day of March, 2024.

- ii. The fee per boat slip ("Boat Slip Fee") shall be due in two (2) installments per calendar year, based on the actual number of boat slips occupied/rented by the Marina/Club for each calendar year.
  - a. The first installment for Boat Slip Fees shall be due and payable to LLCD on or by the 15<sup>th</sup> day of July, based on the actual number of boat slips occupied/rented by the Marina/Club as of the 30<sup>th</sup> day of June; and,

## SPECIAL USE AGREEMENT

This Special Use Agreement is made by and between the **City of Bloomington Utilities** (hereinafter "CBU"), **Lake Lemon Conservancy District** (hereinafter "LLCD") and **Indiana University** (hereinafter "IU").

#### WITNESSETH:

WHEREAS, the CBU owns certain real estate located in Monroe and Brown Counties, Indiana, which real estate includes Lake Lemon, which real estate is leased to the LLCD; and,

WHEREAS, the LLCD is responsible for the operation and management of Lake Lemon, which management includes regulation of lake access and boating operations; and

WHEREAS, IU desires to secure a special use permit for access to the lake for a rowing course and rowing events associated with university athletics;

NOW, THEREFORE, in consideration of the recitals and of the respective covenants, representations, warranties and agreements herein contained, for good and valuable consideration the receipt and sufficiency of which is hereby acknowledged, and intending to be legally bound hereby, the parties agree as follows:

- 1. Lake Lemon Conservancy District (LLCD) and the CBU hereby issue a special use permit to IU to conduct competitive rowing events on Lake Lemon. This Agreement commences on January 1, 2024 and shall be for a one (1) year term. It may be renewed by written agreement of the parties.
- 2. Based on prior agreement of the parties, IU has installed fixtures in Lake Lemon to create a rowing course on Lake Lemon. If the use of such fixtures is to be discontinued by IU or the special use permit revoked, canceled or terminated for any reason, IU shall be responsible for removing all fixtures within a reasonable period of time, which obligation shall survive termination of this Agreement. All operation and maintenance costs associated with the installation, use and/or removal of the fixtures shall be the sole responsibility of Indiana University. The parties acknowledge that in addition to the fixtures installed in Lake Lemon, as referenced above, IU may utilize temporary event fixtures, which fixtures shall be installed and removed on the day of the rowing event by IU.

- 3. IU shall add the LLCD and CBU as "additional insureds" on its insurance policy and shall hold harmless and indemnify LLCD and CBU for any and all claims and liability resulting or arising from this Special Use Agreement, unless such claim and/or liability is the result of the negligence or willful misconduct of the LLCD or CBU, which will include damages, expenses and attorney fees. Indiana University's obligations under this Paragraph shall be limited in substance by statutes and constitutional provisions designed to protect the exposure and liability of Indiana University as an instrumentality of the State of Indiana (e.g., actions and conditions as to which Indiana University is immunized by the Indiana Tort Claims Act, dollar limits stated in such Act, exemption from punitive damages, the continued ability to defeat a claim by reason of contributory negligence or fault of claimant), so that its liability to indemnify, defend and hold harmless shall not exceed what might have been its liability to a claimant if sued directly in Indiana by the claimant and all appropriate defenses had been raised by Indiana University. The minimum coverage for its insurance policy shall be One Million Dollars (\$1,000,000.00).
- 4. IU shall be solely responsible for providing and maintaining sanitary facilities, parking assistance, clean-up following an event, repair of any property damage resulting or arising from this Special Use Agreement and shall provide other event-related assistance at Riddle Point Park and Lake Lemon as reasonably requested by LLCD and CBU.
- 5. IU shall pay to LLCD a special permit fee of One Thousand Six Hundred Twenty Dollars (\$1620.00) for the Annual Dale England Cup Regatta on April 27<sup>th</sup> 2024. Permit fees paid in full at least thirty (30) days prior to event date. No additional daily use or launch fees shall be charged for watercraft involved in the events. Indiana University wishes LLCD to not permit Fishing Tournaments on these days and thus has been assessed the daily fishing tournament fee of Ninety Dollars (\$90) a day during rowing events. All specific events and dates must be approved, in advance, by LLCD, which approval shall include written notification by LLCD in the form of the Event Plan, described in paragraph 6, below.
- 6. For each event to be held at the LLCD, IU shall provide a written, specific Event Plan which plan will incorporate all relevant rules and regulations for the event, the steps taken by IU and the LLCD to cooperatively host said event and the respective duties of each party relating to the specific event. The Event Plan will be approved by both parties, in writing, and signed by the LLCD and IU and shall be incorporated as a part of this Agreement as an Addendum, as if fully set forth herein.
- 7. In the event of a breach of this Agreement the non-breaching party may:
  - 1) Terminate this Agreement;
  - 2) Seek any remedy available in law or equity; and/or
  - 3) LLCD may revoke the special use permit upon breach by IU

In the event of a breach of this Agreement, the breaching party shall be responsible for the costs and reasonable attorney's fees of the non-breaching party.

- 8. This Agreement shall be governed by and construed under the laws of the State of Indiana and the Monroe Circuit Court shall preside over any dispute arising out of this agreement.
- 9. This Agreement contains the entire agreement between the parties and shall be amended or modified only by written instrument signed by both parties hereto.
- 10. The provisions of paragraphs 3 and 4 shall survive termination of this Agreement

THE PARTIES, intending to be bound, have executed this SPECIAL USE AGREEMENT this 14<sup>th</sup> day of December 2023.

Bid Evaluation & Recommendation Burke Project No. 20-0029.00004

Dear Mr. Casey:

As you are aware, the Lake Lemon Conservancy District (LLCD) received two (2) bids for the Lake Lemon Sediment Improvement Project on November 7<sup>th</sup>, 2023. The project is split into two parts: dredge operations (base bid) and excavation of the peninsula area (alternate bid). Burke has completed a review of the submitted bids and has attached the certified bid tabulation to this letter. A summary of the Contractors' bids along with the Engineer's Estimate is shown in **Tables 1** below.

Table 1 – Summary of Bids

| Contractor             | Base Bid     | Alternate Bid | Total Bid      |
|------------------------|--------------|---------------|----------------|
| Engineer's Estimate    | \$999,000.00 | \$150,000.00  | \$1,149,000.00 |
| Dredge America         | \$935,000.00 | \$60,000.00   | \$995,000.00   |
| Southwind Construction | \$861,166.06 | \$157,600.00  | \$1,018,766.06 |

The base bids range from 86% to 94% of the engineer's estimate, while the alternate bids range from 40% to 105% of the engineer's estimate.

As shown in the table above and in the attached bid tabulation, the apparent low bids for the total project (base bid plus alternate bid) was submitted by Dredge America, with a total quote of \$995,000.00. A review of the submitted quotes revealed no mathematical errors by the contractors.

Based on an evaluation of all bids, the following observations were made:

- Although the total project lowest bidder was Dredge America, the apparent low bid for dredge operations (base bid) was submitted by Southwind. The low base bid is \$137,833.94 below the engineer's estimate of \$999,000.00.
- The dredging unit cost for Dredge America was \$6 compared to \$4.86 for Southwind Construction.
- Dredge America's unit cost of \$6 per cubic yard for Peninsula Dredging (Alternate Bid) was significantly lower than the Engineer's Estimate and Southwind Construction's unit cost which was around \$15 per cubic yard.
- Southwind Construction's bid item cost of \$272,514 for Mobilization/Demobilization was

- slightly higher than Dredge America at \$225,000.
- It should be noted that the bid request documents specified to the construction contractors that they should include an adequate work plan specifying details of their mobilization, equipment, proposed means, methods and estimation of substantial completion. Both contractors provided sufficient explanations of their work plan however, Dredge America has a more detailed work plan. For example, they specify a contingency plan for malfunctioning equipment to keep operations moving.
- Both Dredge America and Southwind Construction are proposing to bring in their own 3<sup>rd</sup> party surveying firms to conduct all bathymetric surveys and appear to be rejecting the offer of Lake Lemon to perform initial bathymetric survey. Dredge America specified that they will perform 1 pre-project survey, 3 intermittent surveys, and 1 post-project survey. Southwind Construction proposes just a pre- and post-project survey.
- Southwinds Construction shorter schedule seems to be based on the assumption of a 24-hour continuous workday. By contrast, Dredge America has proposed 12-hour shifts 7 days a week.
- The work plan for Southwinds Construction indicates that they will use a 10" Hydraulic Cutter Suction Dredge and will pump their dredge through a 14" HDPE pipeline at a rate of approximately 4,500 GPM. By comparison, Dredge America proposes to use a 12" Hydraulic Cutter Suction Dredge and will pump their dredge through a 14" HDPE pipeline at a rate of between 3,500 and 4,500 GPM.
- The proposed completion timelines for each of the prospective bidders work plans are ranked from shortest to longest time of substantial completion in **Table 2** below.

Table 2 – Bidder Proposed Completion Timelines

The total project bid of the apparent low bidder of Dredge America would result in a total project cost of \$995,000.00, which is \$154,000.00 less than the engineer's estimate. If LLCD determines that Dredge America has a complete bid and there are no other questions regarding the bid package, Burke recommends that contract be awarded to Dredge America.
